The Ernest and Marjorie Fudge Trust for Warminster

Registered Charity C.I.O. No. 1168096

Application Instruction Sheet

To help applicants provide the required information when completing the application form & to enable the Trustees to make an informed decision, please read the following guidelines.

All Applications

Please ensure written quotations are obtained for whatever item or service you are requesting.

The quotations should be made out to you or your organisation

(Trustees do appreciate applicants using local businesses if at all possible).

Please ensure the correct postage is used otherwise your application may not be received by us.

Should your application be approved, the Trust's policy is to pay the supplier not the individual.

Should the required item only be obtainable from the internet, please take a copy of the relevant page(s) to include a description and price, which can then be used instead of a quotation.

- Please give as much detailed information as possible.
- What would the benefits be should your application be successful.
- What can you not do now that you would like to do.
- What prevents you doing what you want to do.
- How will the Trust's grant help you do it.

Individual Applications:

- Consider your basic needs
- How much / how often would you use the item/equipment?
- What difference would it make / what benefit would it be to you?
- Do you own or have the same or a similar product at the present time?
- Is it possible for you to pay for, or contribute to, the cost of the product?
- Do you have disabilities which have created a situation which makes it necessary to have this product?
- How do these disabilities prevent you from doing certain things? If so, please explain in as much detail as possible. Failure to do so may mean that your application is not approved. (Please be assured that this kind of information will only be discussed by the trustees as they try to decide on your application). (to view our Privacy Policy please go online and visit <https://www.fudgetrust.co.uk/DocumentRetentionPolicy.pdf>)

Churches, Charities, Sporting or Voluntary Groups

- Have all avenues of financial assistance/grants been explored?
- How much fundraising has been undertaken?
- Do any of your volunteers have skills to do any of the work required in an effort to keep costs to a minimum?
- What age groups would benefit?
- How many residents within the BA12 area would benefit?
